miss u already papi
Your hugs and your laughter are something that i will never forget!Wherever you are, you‘ll always be in my heart.

Hindi ko talaga expect na iiwan mo na kami ngayon. Next year dapat debu ko na. Sino na kasama ko pag sayaw sa 18th roses ko. Sayang wala kana di mo naabutan yung 18th birthday ko.

Masakit talaga parang ayaw ko i accept na wala kana. Pero kailangan naming tanggapin. dati lagi ka naming inaalagaan, ngayon ikaw na yung mag babantay saming lahat . Bantayin mo kami nila mami ghie

You dont have to fight anymore. You are at peaceful place. All of the pain you had to take are gone now. You’re free now
Heaven gained a real angel. You fought til the end. The moments we had togheter are unforgetable and i will forever be thankful for them.

I love u always & forever my papi
Until we meet again papi

May the light of this candle leads you to the gates of heaven Dadi Beyong and reunite with our loved ones. Truly, it is very heartbreaking that you already left us but knowing that you are now in a place where pain is no more and happiness are flourishing endlessly somehow makes our hearts and minds at peace. Rest well Dadi Beyong, you have fought a good fight. Until we meet each other again.

I miss you so much Papi! You might be gone but definitely not forgotten. I will keep our Memories in my Heart forever!
I will tell my Baby nalang how a good Father and Lolo you was. Lagi ko pa naman sinsabi saiyo na makikilala mo pa sya. Pero sayang hindi mo na sya inantay

Even if it hurts but knowing you‘re in a better Place now & watching over us makes me happy again. Rest well Papi, i hope naging maligaya ang paglalakbay mo!
I love you forever & ever
